Andrews Family, I still remember the little brother that used to pester me and Beth when we were all kids together. I'm sorry I didn't get to know him better as an adult. Remember the good times.

I was shocked to hear of John's death. John and I played football together in Norman for three years. He was our quarterback, and I played center on offense and nose guard on defense.

John was a leader on the field and in practice. He was calm and authoritative. But he had a fun side too.

John emailed me last Christmas, and I had hoped we could reconnect. I'm so sorry I ran out of time.

My deepest sympathies to his family. If there is anything I can do to help, do not hesitate to contact me.

Dear Christina and John's family:

I just heard about John's death today. I am so sorry. John was a wonderful guy. He was so funny and one of the sweetest guys in high school. He never had a negative thing to say. My thoughts and prayers are with you.

To the Andrews family: I am so sorry to hear of your loss. John and I became pretty good friends our senior year. He was a nice guy, and a real clown when he wanted to be. I had a lot of fun with him. He was a real sweetie, when some of the guys in school (back then) were egotistical, jerks. He will be so arly missed. All my thoughts and prayers are with you during this time. May God Bless and keep you.

Christina and family:

Sorry to hear for your loss. I was one of the first people to meet John when he and his family first moved to Norman in the early 80's. We were good friends until I left to go out of state to college. Even though I had not seen or spoken with him since those times it was great to receive an e-mail from him over the summer letting me know what he was doing. Please accept my deepest sympathies.

To the Andrews Family, Nolita notified me today and I cant express how I truly feel. John and I have were close friends since our Junior year in HS. We had a lot of great times during the first few years of college before we lost contact. I will always remember him as a very happy guy and a true friend. I wish I would have had the opportunity to meet all of you, he had sent me an email just before the reunion but we didn't get the chance to see each other and introduce our families. You are in our prayers, and I will miss him very much.

Richard Dilks and I were talking about John and all the memories of High School and Middle School. We talked about John's great athletic ability -- kicker and quarterback -- man, some guys have all the luck!
I am so sorry for your loss -- Rest in peace John.
