Hi Lisa,

I don't know you well, but I got to know you a little through your Uncle Doot's Facebook wall. I did come to know some things about you. That you love the Steelers with passion. That you had an effervescent spirit. That you loved your Uncle Doot tremendously, that he valued you tenderly. May your soul rest in peace, but your spirit endure!

Words can't express how the news of Lisa's passing saddened me. Lisa was ALWAYS a great person to be around. I remember years ago when I first became a member of Greater Cleveland Avenud Christian Church, she took me under her wing and treated me as though she had known me for years. My prayers are with the family as I know that this journey want be easy but with GOD, he will make each passing day a smoother transition just knowing that she's resting with her Master.

To the family of Lisa Clarke: I had the opportunity to meet Lisa back in August at a DPH training. I can truly concur with all of the previous messages about her personality, smile and genuine love for God and His people. She definitely made

a lasting impression on me. May God's comfort and peace continue to rest upon the family and all of her colleagues within the North Carolina Division of Public Health.

Lisa touched many lives during her short stay on earth and I am sure she continues to touch lives in heaven. I know that my life was truly enhanced by knowing her as co worker on two jobs. One with the school system in Winston-Salem and the second as an employee of the Women's Health Branch out of Raleigh. She was always Lisa and always had words of wisdom and kindness when we got a chance to get together. Earth's loss is truly Heaven's gain! May God continue to comfort the family during this most difficult time.

To Lisa's Family,

My husband and I are deeply saddened about the transitioning of Lisa. She was a great mentor and an excellent program monitor in addition to being a super human being and thoughtful, kind friend. She exemplified her zest for life and for living it to its fullest each time we were together. She also spoke very fondly about her family in addition to her work. She loved her work and was masterful at it. Having worked with numerous monitors on all levels, I rank Lisa #1. We shall all miss her. We pray for solace and comfort for you during this time and in the days ahead. Love, Harold & Evelyn Troy

Lisa will be greatly missed; I thank God for the many years we were able to share laughing, playing the hand bells, going to special events and praising God. Lisa was undoubtedly the most "alive" person I ever met. She had a way of making you feel that you could rise to your best and be the better person you wanted to be. No matter when I spoke to her, she never made me feel like she was too busy to listen, or that she didnt care deeply about your concerns, even if she didnt always agree with you. Lisa is probably cracking jokes with God as I write this; I know he has her close to him, because she will light up heaven with her beauty.

This is hard for me to write. How can you say "So Long" to someone whose smile and voice can turn a frown upside down? To the family, Lisa will be missed tremendously. She came from Raleigh to sit with me after I had knee surgery and I still remember the way she called me by my whole name. Heaven is sweeter now, and my heart is very heavy. Earth has no sorrows that heaven can not heal. Sleep on my friend and know that Edna West loves and miss you!!!!!!
