Tracie I am lost for words. You left this world very tragically and left so many people speechless. You are in a better place now but you sure have a lot of people that will miss you terribly. I will pray for your girls to have some comfort in knowing how much people cared for you. You were a wonderful Mom and Nanny. I am so glad that the girls have each other. I love them both.

This is still so shocking to us that it doesn't seem real. We are praying for everyone. Look to God for comfort. He will get you through this all. She loved God so much, there's no doubt we will all see her again one day. She is at peace and having the time of her life in heaven. Love you all, Jessica
