Stacy *Sneed* Geppert
1968 - 2013

Stacy Sneed Geppert died January 19, 2013, after a courageous battle with cancer. She was born June 10, 1968, to William Cecil Sneed and Nancy Virginia McCoy Sneed.

Though Stacy was born late in her parents' childbearing years, she brought great joy and healing to her welcoming family. She grew up as the dearly loved sister of older siblings, the closest being thirteen years older. She learned love, patience, and compassion at an early age when her elderly grandfather came to live with them until his death.

After high school graduation, she attended Brigham Young University, and then was called on a Spanish-speaking mission to Southern California. When her mission was successfully completed, she returned to BYU where she met the love of her life, John Franklin Geppert. They were married on August 17, 1991, in the Salt Lake Temple. To their joy, their family grew as Austin, Matthew, Victoria, Hannah, and Emma were born.

The growing family moved from Utah to Maryland in 2005, to Virginia in 2007, then back to Highland, Utah, in 2011.

One of Stacy's outstanding characteristics is her ability to love and serve fully, and without reservation, in many callings and in other ways. She was universally loved by all.

She was preceded in death by her father, William Cecil Sneed, and a sister, Barbara Sneed, who died before Stacy was born.
