Subject: 4/22/06 Meeting Minutes

To:

Hi Everyone,

For those of you who couldn't make it to the meeting yesterday, don't fret, we are having another one in 2 weeks at Julie Trent Denton's house. May 6th at 5pm. Mexican is the menu theme for Cinco de Mayo even though it is on Seis de Mayo. Please contact Julie directly at Thejewel67@hotmail.com if you can make it to let her know what you can bring. The working part of the meeting will begin at 5pm and the dinner and social portion will start at 6pm so please come and bring your spouse/date another alumnus. This meeting is open to all alumni so spread the word!

Members present: Julie, Elisabeth, Gerald, Carrie, Stacy, Dee Anne, Nols and John. We were too busy talking and eating to remember to take pics before some members had to leave so we only got a couple of pics at the end of the evening <http://www.nhs1986pack.com/meetings/committee042206-1.jpg>

We finalized the t-shirt design and will put our initial order in to Sharon Monday. The design is posted on the website at <http://www.nhs1986pack.com/20year/t-shirt.html>. We will have some ladies fitted shirts and regular men's shirts so if you are a lady and you like the looser shirts you will probably want to order a men's t-shirt. Thanks to John Rhea for the great suggestion on the Ferris Bueller quote. John Chitwood will be making a demo tee that we will put on a model and posted to the website to generate sales.

John C. is also going to create match-box mint mementos for us to assemble at an upcoming meeting. (What a cool idea!) We might be able to assemble photo name tags at that same meeting.

Dee Anne Herron (thank you!!) has agreed to head up the Saturday Night program so please funnel ideas to her. Robbie, you ARE the emcee for the evening so rest up those vocal cords! More details to follow. You can e-talk with her at postaldee@yahoo.com

Elisabeth Bowers Beddow has agreed to head up the prize patrol effort and will be needing some help from you guys. If you have ideas on prizes for each award category, send them to her at beddow@cox.net

Stacy Davenport is checking with the Norman Chamber about reunion planning information/packets and possibly obtaining a Welcome Letter from the mayor to include with the welcome packet. Stacy is also going to book Party Pics for 2 hrs for our Saturday night event.

Julie is going to talk to the Norman Transcript contact about the article and help get invites to the families of the

fallen alumni.

Nolita is going to check with Classic 50's about an "NHS 86 Pack" discount for lunch for the picnic and also coupons or t-shirt donations for prizes. Nols is also going to check with Stepbrothers and Cobbestone Creek to see if the locations are wheelchair accessible. Also, going to check with local sign companies about getting a banner.

Memory/Face Book submissions - we need you guys to get your memory book submissions in so that we can get a draft book going. We talked about it last night and stressed the point that the online survey is just a guide. If you would rather submit your own rendition of what you want your page to look like in the book, please do. Just attach it to the form at <http://jivebox.net/nhsmb/nhsmbform.htm>

The Golf Scramble deadline has been extended to May 31st. We'll send out a reunion reminder e-mail soon and include the new deadline as well as the call for memory book submissions and other announcements.

Guys, please let me know if I accidentally omitted anything from the minutes ASAP so I can get that reminder e-mail sent out.

Sally, I have 2 checks for you.

Keep up the great work everyone!
